We ask a series of questions about each business, letting them tell you about themselves in their own words, including their background, what services they offer, how they're responding to the pandemic challenges, and more. It's a great way to learn more about your favorite businesses, or discover a new spot you may not be familiar with yet.

This week we learn about a paint and sip business that grew out of a fundraiser and an idea from a correctional institution.

Our next BF! meeting is at 9:30am this coming Tuesday (July 20) at the Hub at the Dayton Arcade. Beyond seeing what's happening at the renovated space, we've got two great topics to talk about!

- Introduction to the programming that is happening at the Arcade and how it can benefit businesses across the region.
- Kim Woodbury, SBDC, wants to share information about the SBA's Navigator Program (<https://www.sba.gov/partners/counselors/community-navigator-pilot-program>) and how it may be able to help with business outreach. She is finishing up the grant application and will share more.
- Mike Grauwelman, Montgomery County Land Bank, wants to make communities aware of Ohio's Brownfield and Demolition funding. This could be a good resource as communities are looking to create new opportunities.

After the meeting, we will have tours of the facility. If you have not had a chance to come to the Arcade yet, it is definitely worth the visit. This is a great asset for our business community.

Parking is available at the Reibold Garage (25 West Fifth Street, Dayton) and we will validate for you. The entrance to the Hub is at 31 South Main Street and is only a block north of the parking garage. If you have questions, give me a call at 937-776-3017 and I can help you find your way.

It will be a great meeting and I look forward to seeing you!
