

Good evening all,

We received additional information about Federal Disaster Recovery programs and wanted to share it with everyone.

As we mentioned in our last email, there are SBA Disaster Loans available for both residential loss and for businesses for damage resulting from the severe storms, straight-line winds, tornadoes, flooding and landslides on May 27 -29, 2019. Many businesses can apply for both physical and economic injury.

In order to apply for the SBA residential loans, you must first register with FEMA. Business are not required to register with FEMA, but it is recommended.

The site to do that is [DisasterAssistance.gov](https://www.disasterassistance.gov) or you can download the FEMA mobile app. If online or mobile access is unavailable, applicants should call the FEMA toll-free helpline at 800-621-3362. Those who use 711-Relay or Video Relay Services should call 800-621-3362.

To remind you, The disaster declaration covers:

- **Primary counties** - Auglaize, Darke, Greene, Hocking, Mercer, Miami, Montgomery, Muskingum, Perry and Pickaway counties in **Ohio**. Businesses in these counties are eligible for both Physical and Economic Injury Disaster Loans from the SBA.
- **Secondary Counties** - Allen, Athens, Butler, Champaign, Clark, Clinton, Coshocton, Fairfield, Fayette, Franklin, Guernsey, Hardin, Licking, Logan, Madison, Morgan, Noble, Preble, Ross, Shelby, Van Wert, Vinton and Warren in **Ohio**; and Adams, Jay, Randolph and Wayne in **Indiana**. Businesses and most nonprofit organizations in these counties are eligible to apply only for SBA Economic Injury Disaster Loans.

Once again here are links to information about the SBA Disaster Loans and the application website.

## June Was a Great Month for Align Home Health!

At County Corp's July Board meeting, a 504 loan request was approved for Align Home Health. The Company has outgrown their current location and is purchasing a 5,500 SF building which will allow them to grow both their child day care and their adult day care lines of business. County Corp is partnering with Fifth Third Bank on this transaction.

Also in July, County Corp closed on the SBA 504 loan for Unity Care Group which purchased an 18,000 SF building on Congress Park Dr. to help their business grow. This loan will actually fund in mid August and with rates dropping, we anticipate that Unity will be able to lock in a 25 year Note Rate of roughly 2.70%. Again Fifth Third Bank was our partner in this transaction.

## The SBA Is Offering Disaster Assistance After Storms and Tornadoes Smash Through the Region

According to the SBA, as a result of the recent tornado damage, there are counties in Ohio where BOTH physical damage AND Economic Injury loan assistance can be applied for. These were the counties primarily affected. These include Auglaize, Darke, Greene, Hocking, Mercer, Miami, Montgomery, Muskingum, Perry and Pickaway counties.

In a press release, Acting Administrator, Chris Pilkerton, also says "Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Allen, Athens, Butler, Champaign, Clark, Clinton, Coshocton, Fairfield, Fayette, Franklin, Guernsey, Hardin, Licking, Logan, Madison, Morgan, Noble, Preble, Ross, Shelby, Van Wert, Vinton and Warren in Ohio; and Adams, Jay, Randolph and Wayne in Indiana."

Information that you will find of assistance can be downloaded at the following links:

## Interest Rates Are Still Moving Downward

In previous BizCap Reports we have highlighted the dropping interest rates. The July debenture pricing has continued this decline, reaching a historic 33 year low. The 25 year rate is also at its lowest point since it was established, roughly 12 months ago. If you know of a business that is purchasing fixed assets, now is the time to introduce County Corp and take advantage of these historic low rates. Your clients will be very appreciative for your recommendation of the 504 loan program for many years to come!

Please note that we have also reduced the interest rates on both the State 166 and CDBG loan programs.

Go to [Eagle Compliance](#) and click on Weekly Market Commentary for current information provided by Eagle Compliance, LLC who is responsible for the marketing, pricing, and sale of the certificates (debentures) sold to investors to fund the SBA 504 Loan Program.

## SMALL BUSINESS LOANS AND RATES

### **USDA, Rural Development, Business & Industry Loan Guarantee Program has funding available for Fiscal Year 2019!**

The USDA, Rural Development, Business & Industry Loan Guarantee Program can provide loan guarantees for the purpose of:

- Acquiring new businesses or expanding existing businesses;
- Purchasing and improving real estate;
- Purchasing machinery & equipment;

- refinancing outstanding debt; and
- providing term working capital.

Projects prioritized by headquarters are those projects intended to further enhance the rural economies by providing well-paying employment, essential community services and long term investments. These priority projects include:

- Broadband; high-speed internet connectivity.
- Commercially available unmanned technologies.
- Food distribution such as grocery stores and food manufacturing along with agritourism and biotechnology.
- Advancement of energy security by boosting production of energy from natural gas, oil, coal and renewables.
- A focus on “made in America” including projects for infrastructure, distribution, and value-chain participants.
- Projects that advance the quality of life. For example modern utilities, medical services, and for the treatment and recovery of opioid addiction.
- Advancement of career training and development.

The loan guarantee can be used to provide better rates and terms to the businesses you serve while reducing lender risk. In addition to reducing risk, the issuance of the loan guarantee can allow for additional fee income through the sale of the guaranteed portion on the secondary market.

Our third Disaster Recovery Business Walk will focus on businesses in Harrison Township. **Due to the number of businesses affected there will be TWO business walks. The first one takes place Wednesday, July 17<sup>th</sup> from 1-5 and the second will take place July 26<sup>th</sup> also from 1-5pm.** We will be meeting at the Harrison Township Offices, 4945 North Dixie Drive, Dayton, OH 45415 where we will split into teams and get information packets.

If you are interested in joining the Business Walk group, let me know if you can attend one or both. If you are only available for a couple of hours, we can work you in as well.

Communities, volunteer organizations, and individuals have been working hard to help local businesses and residents recover from the tornado damage over the last several weeks. Many businesses are back up and running now, thanks in part to the work of their local economic development staff. It's important to reach out to these businesses again and see how their recovery is going and get a better understanding of the economic impact the storms had on our businesses and their employees.

Wear comfortable shoes and if there is a chance of rain you may want to have an umbrella handy.

If you have any questions, please call me on my cell phone 937-657-0740. Thanks!
